

Aesthetic Solutions

RN | LPN | MA

We're growing and in need of supporting clinical staff for our aesthetic dermatology practice!

Professional appearance, excellent customer service skills, and ability to multi-task in a fast pace, concierge environment essential attributes. RN/LPN/MA licensure and experience in a private practice dermatology or plastic surgery office required.

Classification: Hourly, Full Time

Working Hours: 8:15-5:00 pm typical

Reports To: Practice Manager

Core Responsibilities:

- Room patients
- Collect history
- Educate patients on treatments
- Take clinical photographs
- Mix neuromodulators and fillers, prepare lasers, and assist the physician with a variety of injectable, laser, minor surgery, and other device-based treatments.

We hire team players with a sense of humor and cheerful disposition seeking long term employment with a great team. Excellent pay and benefits including health insurance, PTO, 401K, employer contributions to profit sharing and cash balance retirement plans, cash bonuses, and aesthetic services.
